1. The applicant must file his or her application with the county clerk in the county in which he or she resides.

The applicant must also:

- a) Present the original certificate of completion of the pistol safety training course. The county clerk will make a copy of the certificate at the time the application is submitted. Certificates must contain the statement: "This course complies with section 5j of 1927 PA 372."

For a renewal of a license issued after July 1, 2001, the applicant must sign a statement certifying that he or she has completed at least 3 hours of review of the required training and has had at least 1 hour of firing range time in the last 6 months preceding the application. This statement appears on the Concealed Pistol License Application.

- b) Include a passport-quality photograph.*
 - c) Pay all applicable fees. For all applications there is a \$105 fee payable to the county clerk. The county clerk will provide a receipt for payment of fees.
2. The applicant shall bring the receipt for payment to the sheriff's department for fingerprinting. An applicant may have his or her fingerprints taken at a local police agency; however, an additional charge may be assessed by the local agency. If the sheriff's department participates with a vendor for fingerprinting, the county clerk will provide additional instructions.
 3. The county sheriff or local law enforcement agency will fingerprint the applicant and forward the fingerprints to the Michigan State Police for processing.
 4. Once the concealed weapon licensing board receives the fingerprint comparison report, they shall issue or deny the license within 45 days. Please note, however, that the entire application process may take several months.
 5. The county clerk may require that all licenses be signed in their presence prior to receiving the license.

III. Pistol Safety Training Course

Those required to take a pistol safety training course include:

* **Passport Photo Standards:** The photo must be taken alone, sufficiently recent to be a good likeness (normally taken within the last 6 months), with an image size from bottom of chin to top of head (including hair) of between 1 and 1 3/8 inches. The photo must be capable of withstanding a mounting temperature of 225° Fahrenheit (107° Celsius). Snapshots, most vending machine prints, and magazine, or full-length photographs are unacceptable.

1. All new applicants.
2. Persons who had a Concealed Pistol License, general or restricted, prior to July 1, 2001, and are renewing for the first time.

The educational requirements are waived for an applicant who is a retired police officer or a retired law enforcement officer. The concealed weapon licensing board may require a letter from the employer that the applicant retired from his or her employment in good standing as a police officer or law enforcement officer. The terms "retired police officer" or "law enforcement officer" mean an individual who was a certified police officer or certified law enforcement officer as those terms are defined under section 2(k) of the commission on the law enforcement standards act, 1965 203, MCL 28.602, and retired in good standing from his or her employment as a police officer or law enforcement officer.

The training required under Michigan law must be a program certified by this state or a national or state firearms training organization and provides instruction in at least all of the following:

- The safe storage, use, and handling of a pistol
- Ammunition knowledge and the fundamentals of pistol shooting
- Pistol shooting positions
- Firearms and the law, including civil liability issues and the use of deadly force (this portion must be taught by an attorney or a person trained in the use of deadly force)
- Avoiding criminal attack and controlling a violent confrontation
- All laws that apply to carrying a concealed pistol in this state
- At least 5 hours of instruction and 3 hours of range time that requires firing at least 30 rounds of ammunition

The instructor must be certified by this state or a national organization. The instructor must provide a signed certificate of completion to the applicant, stating that the individual successfully completed the course, and must contain the printed name and signature of the instructor. The certificate shall contain the statement: "This course complies with section 5j of 1927 PA 372."

The following organizations offer certified pistol safety training courses:

- Michigan Commission on Law Enforcement Standards (MCOLES)
 - www.mcoles.org or (517) 322-6525
- National Rifle Association (NRA)
 - www.nrahq.org/safety/education or (703) 267-1430
- Michigan Coalition for Responsible Gun Owners (MCRGO)
 - www.mcrgo.org or (517) 484-2746

Note: This is not an all-inclusive list of certified instructors or facilities. An applicant may wish to contact his or her concealed weapon licensing board to inquire about other certified instructors or sites.

The concealed weapon licensing board may wish to confirm the validity of a certificate of completion by confirming the instructor's certification with the organization that provided certification.

A person who either grants a certificate of completion to an individual knowing the individual did not satisfactorily complete the course or presents a certificate of completion to a gun board knowing the individual did not satisfactorily complete the course is guilty of a felony punishable by 4 years in prison and/or a \$2,500 fine.

IV. Concealed Pistol License Renewal Information

1. A license to carry a concealed pistol is valid until the applicant's date of birth that falls not less than 4 years or more than 5 years after the license is issued.
2. The concealed weapon license board shall issue or deny issuance of a renewal license within 60 days after the application for renewal is properly submitted. The county clerk shall issue the applicant a receipt for his or her renewal application at the time the application is submitted. The receipt shall contain all of the following:
 - Name of the applicant
 - Date and time the receipt is issued
 - The amount paid

- A statement that the receipt is for a license renewal
 - A statement of whether the applicant qualifies for an extension under No. 4 below
 - The name of the county in which the receipt is issued
 - An impression of the county seal
3. If the concealed weapon licensing board fails to deny or issue a renewal license to the person within 60 days of the date of application, the expiration date of the current license is extended by 180 days or until the renewal license is issued, whichever occurs first. The extension does not apply unless the person pays the renewal fee at the time the renewal application is submitted, and the person has submitted a receipt from a police agency that confirms that the background check has been requested by the applicant.
 4. A person carrying a concealed pistol after the expiration date of his or her license pursuant to an extension under No. 3 above shall keep the receipt issued by the county clerk and his or her expired license in his or her possession at all times that he or she is carrying the pistol. For the purposes of Michigan law, the receipt is considered to be part of the license to carry a concealed pistol until a renewal license is issued or denied. Failing to have the receipt and expired license in possession while carrying a concealed pistol or failing to display the receipt to a peace officer upon request is a violation of Michigan law.
 5. An application is considered a renewal if the applicant has received a Concealed Pistol License in compliance with the training requirements set forth in Michigan law after July 1, 2001. A Concealed Pistol License is renewed in the same manner as the original license, which may include fingerprints. For more information about the application process, refer to the Application Process section within this document.
 6. An applicant applying for a renewal is not required to have fingerprints taken again if the applicant's fingerprints have been submitted to and are maintained by the Michigan State Police. Fingerprints have been maintained by the Michigan State Police since January 1, 2006. If fingerprints were submitted prior to this date, the applicant applying for a renewal does not qualify for this exemption. For renewal applicants that do qualify, the county clerk will provide further instructions.
 7. For an individual licensed after July 1, 2001, and subsequently applying for a renewal, completion of a pistol safety training course is not required. However, the applicant shall sign the statement on the application certifying that he or she has completed at least 3 hours of review of the pistol safety training course and has had at least 1 hour of firing range time in the 6 months immediately preceding the renewal application.

Exception: The training requirements are waived for an individual who is a retired police officer or retired law enforcement officer. The concealed weapon licensing board may require a letter that states the officer retired in good standing.
 8. If there is a lapse between the previous license and the issuance of a new license, the individual has no right to carry a concealed pistol during that time lapse, other than the extension described in No. 3 above.
 9. An individual licensed to carry a concealed pistol may carry the concealed pistol under that license until the license expires or the individual's authority to carry the concealed pistol is otherwise terminated, whichever comes first.

V. Concealed Weapon Licensing Board

Each county shall have a gun board consisting of the sheriff or his or her designee, the director of the Michigan State Police or his or her designee, and the prosecuting attorney or his or her designee. The prosecutor may opt out, and the county board of commissioners will appoint a replacement. The replacement must be a certified firearm instructor. Certification must be by a state or national firearms program.

The board shall either issue or deny the license within 45 days after the board receives the fingerprint comparison report.

The board shall not issue a license if they determine that issuing the license would be detrimental to the safety of the applicant or any other individual. This determination shall be based on clear and convincing evidence of civil infractions, crimes, personal protection orders or injunctions, police reports or other evidence, or the applicant's statements that bear directly on the applicant's ability to carry a concealed pistol.

VI. Temporary Licenses

There are three instances where a concealed weapon licensing board may issue a temporary license:

1. If the board determines that there is probable cause to believe the safety of the applicant or a member of their family is endangered by the inability to immediately obtain a license to carry a pistol, a temporary license may be issued, valid for up to 180 days. This temporary license may be renewed for one additional 180-day period. For new residents, the concealed weapon licensing board may waive the 6-month residency requirement.
2. If the fingerprint report is not received by the board within 60 days from the time the Michigan State Police received the report from the FBI, the board shall issue a temporary license if the applicant is otherwise qualified for a license. The license is valid for 180 days or until the report is received, and a license is either issued or denied. Upon issuance or denial of the license to carry a concealed pistol, the applicant shall immediately surrender the temporary license to the concealed weapon licensing board that issued the temporary license.
3. If a person moves into Michigan from another state and has had a license in their previous state, the licensing board may waive the 6-month residency requirement.

VII. Denials

If the concealed weapon licensing board denies issuance of a license, the board must inform the applicant within 5 business days, in writing, the reasons for the denial, along with a statement of the specific facts and copies of documentary evidence upon which the denial is based. The applicant must also be informed of his or her right to appeal the denial to the Circuit Court in the judicial circuit in which he or she resides.

VIII. Appeals

If the concealed weapon licensing board denies issuance of a license to carry a concealed pistol, or fails to issue that license as provided for in Michigan law, the applicant may appeal the denial or the failure to issue the license to the Circuit Court in the judicial circuit in which he or she resides. The appeal of the denial or failure to issue a license shall be determined by a review of the record for error. There may be a hearing if the decision of the concealed weapon license board was based on the grounds that issuing a license to the applicant is detrimental to the safety of the applicant or to any other individual. Witnesses in the hearing shall be sworn. A jury shall not be provided.

If the Circuit Court determines that the denial or failure to issue a license was clearly erroneous, the court shall order the concealed weapon licensing board to issue a license as required by Michigan law.

If the court determines that the decision of the concealed weapon licensing board to deny issuance of a license to an applicant was arbitrary and capricious, the court shall order the state to pay 1/3 and the county in which the concealed weapon licensing board is located to pay 2/3 of the actual costs and actual attorney fees of the applicant in appealing the denial.

If the court determines that an applicant's appeal was frivolous, the court shall order the applicant to pay the actual costs and actual attorney fees of the concealed weapon licensing board in responding to the appeal.

IX. Purchasing a Pistol

A person who is issued a Concealed Pistol License after July 1, 2001, is not required to obtain a License to Purchase (RI-10) prior to purchasing a pistol.

If the purchaser has a Concealed Pistol License in lieu of a License to Purchase (RI-10) permit, the purchaser must complete a Pistol Sales Record (RI-60). This form is available at local police or sheriff departments or from the Michigan State Police's Web site at www.michigan.gov/msp. The seller keeps one copy of the form, the purchaser keeps one copy, and the remaining two copies are returned by the purchaser to their local law enforcement agency within 10 days. The law enforcement agency will forward one copy to: Michigan State Police, Firearms Records Unit, 106 W. Allegan St., Lansing, Michigan 48913.

X. Responsibilities While Carrying

A concealed pistol licensee carrying a concealed pistol must:

- Have his or her Concealed Pistol License in possession at all times.
- Immediately disclose to a peace officer, if stopped, that he or she is carrying a concealed pistol.
- Display his or her Concealed Pistol License to a peace officer upon request.
- Display his or her driver license or Michigan personal identification card upon request.

- Not carry a concealed pistol while under the influence of alcohol or a controlled substance or while having an unlawful bodily alcohol content. However, a licensee who has consumed alcohol can legally transport a pistol if the pistol is in a locked trunk or locked compartment or container that is separated from the ammunition for that pistol.
- The licensee must have the Pistol Sales Record (RI-60) in his or her possession for the first 30 days after purchasing the pistol.

For more information on encounters with police, refer to the Michigan State Police's Web site at www.michigan.gov/msp.

XI. Pistol-Free Zones

All Concealed Pistol Licenses issued after July 1, 2001, are unrestricted. However, licensees are prohibited from carrying a pistol in the following places:

- A school or school property. However, a parent or legal guardian of a student of the school is not precluded from carrying a concealed pistol while in a vehicle on school property while dropping off or picking up a student.
- A private or public child care center or day care center, child caring institution, or child placing agency.
- A sports arena or stadium.

- A hospital.
- A dorm or classroom of a college or university.

Note: Parking areas of the above places are not pistol-free zones.

Note: A pistol also cannot be carried in violation of a rule promulgated pursuant to the Gaming Control and Revenue Act.

Pistol-free zones **DO NOT** apply to any of the following:

- A licensee who is a retired police officer or retired law enforcement officer. The concealed weapon licensing board may require a letter from the law enforcement agency stating that the retired police officer or law enforcement officer retired in good standing.
- An individual who is licensed as a private investigator or private detective under the Professional Investigator Licensure Act, 1965 PA 285, MCL 338.821 to 338.851.
